

We want you to know that we appreciate it so much that we do not get all of the unwanted calls from solicitors. We were getting 12 or more a week and now we receive virtually none. It is very disruptive to answer the telephone only to find out there is no one there or someone is trying to sell something you don't want or care about. It would be extremely helpful to know you will be considering all comments about this subject. Again, we only hope and pray you will seriously reconsider leaving the no-call list in place. IT IS WONDERFUL NOT TO GET THESE ANNOYING CALLS at any time of the day or night.

Thank You
